Interstate Wireless, Inc. certifies that is complying with Docket number 06-36,
And 06-226 regarding the way Customer data (CPNI) is handled and used in
Our business as a Paging Carrier.

We are compiling a letter to all our customers to advise them that they will
have

Either an OPT-IN or OPT-OUT right to use of their customer data. These
letters

Will go out with our normal billing, which is on the 15th of this month. Until
that

Time, we will not use or provide to anyone the customer's data.

We have further, contacted our software company, Manage More, to get them
to

Incorporate the requirements of notating on the first few lines of the first
